TuneCore Delivers First iTunes LP To The iTunes Store With New Tyrese Release

TuneCore has delivered its first iTunes LP, Tyrese's "Mayhem Take Me Away (Logan De Gaulle Remix)," with many additional features above and beyond the music.

<http://itunes.apple.com/WebObjects/MZStore.woa/wa/viewAlbum?id=328144680&s=143441>

When fans purchase Tyrese's "Mayhem Take Me Away (Logan De Gaulle Remix)," they will get:

- an exclusive track from Tyrese
- the first issue of the comic book mini-series co created by Tyrese entitled Mayhem, (a digital comic with or without voice-over narration and sound effects)
- the story boards (in color and black and white)
- a 45 minute video on the making of "Mayhem"
- 2 additional exclusive comic books
- alternate covers
- concept art
- desktop wallpapers
