## **Nine Inch Nails Utilizes TuneCore To Deliver New Album 'Slip' To Digital Download Stores Including iTunes**

## **TuneCore Delivers Music From Jason Mraz, Warren Zevon, Joan Jett, George Clinton, Cypress Hill, Kevin Eubanks (Of The Tonight Show), And Moby TuneCore Customer Base Growing**

Nine Inch Nails is once again using TuneCore to deliver their music to online retailers. The band's new album, 'Slip,' will be made available digitally via TuneCore at iTunes and AmazonMP3.

In addition to Nine Inch Nails, who also utilized the service for their last album, 'Ghosts I-IV,' TuneCore's customers represent an impressive and ever-growing list of artists. TuneCore recently delivered the music of a host other big-name artists, including Jason Mraz, Moby, Joan Jett, Warren Zevon, and George Clinton, all under the same flat-rate system that allows artists to retain 100% of their profits and keep all of their rights.

A-listers aren't the only ones using TuneCore, though. The revolutionary digital distributor is more popular than ever, with thousands of artists--

both signed and unsigned--using TuneCore to upload their music. With hundreds of thousands of songs already in the system, more and more musicians are discovering that TuneCore is the fastest and easiest way to get one's music into iTunes.

Here's a list of just a few albums recently uploaded by TuneCore:

- Nine Inch Nails - 'Slip'
- Jason Mraz - 'Live & Acoustic 2001'
- Moby - 'The Very Best of Moby'
- B Real/Cypress Hill - 'Gunslinger 2'
- Joan Jett and the Blackhearts - 'Bad Reputation' and 'I Love Rock 'n' Roll'
- George Clinton and the P-Funk All Stars - 'Original Artist Hit List'
- Warren Zevon - 'The Wind'
- Kevin Eubanks (The Tonight Show with Jay Leno bandleader) - 'Shrine'
- The Faint - 'The Geeks Were Right'
- Twisted Sister - 'Official Singles'
- MC Lyte - 'Juke Joint'
- Sammy Hagar - 'Ten 13'
- Rza - 'Rza As Bobby Digital In Stereo'
- Howe Gelb - 'Spun Some Piano'

TuneCore.com has changed the 100-year-old rules and model of the music business. It is a low, flat fee service that delivers anyone's music to iTunes, eMusic, Amazonmp3 and many other major download sites while taking no rights and no revenue from the sale of the music. Artists are building careers, selling significant volumes of music and generating revenue while keeping their rights utilizing the new model created by TuneCore. TuneCore has delivered the music of Keith Richards, Bjork, Jay-Z, Public Enemy and thousands of others to the digital download stores.
